

**15 Tarakan Street MOUNT ISA QLD**

New to the market is this fully updated home in the fantastic area of Soldiers Hill. Being across the road from Gallipoli park and a stones throw away from Barkly Highway school... this home is sure to please!

The front verandah is a little private treat! Enclosed from the street beyond, this space with art deco tiles is a cosy little reading nook or spot for a quiet afternoon drink. Inside the entry is an open living space which is a good size for a family lounge setting and small dining space. This leads to the new kitchen with plenty of cupboards and stainless steel appliances. No need for parents to be segregated away, spend evenings with the family whilst preparing meals; or look out onto the rear yard whilst your kids run and play. The internal laundry is built off the kitchen and can be used as a butlers pantry. With plenty of cupboard space for storage and a second sink.
